

Sample 1: Award 16 – Blue Star Marker

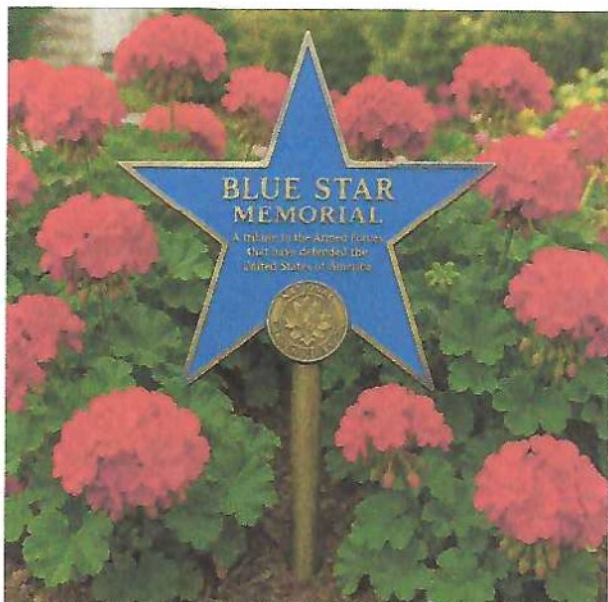

Blue Sky Garden Club

We planted red geraniums around our blue star memorial.

On holidays we add a wreath to the marker.

Good Project
needed more
details for the
award.

Sample 2: Award 16 – Blue Star Marker

Blue Sky Garden Club

Our club maintains a 60 sq ft garden around our blue star marker located at the entrance to our town park. Approximately 50 people visit the park daily.

This year we used a patriotic theme of red, white and blue and planted 30 red geraniums, 10 white alyssum and 2 blue salvias.

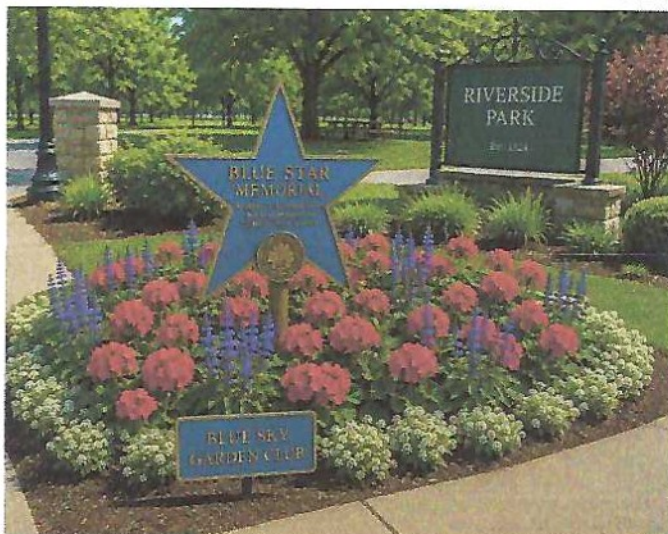

Eight members rotated watering and weeding duties throughout the growing season.

For holiday's a special wreath is added to the memorial and American flags are displayed around the bed.

We spent \$200 on the flowers, and they were paid for by the club's general fund.

a very nice project
supporting RWB
theme. Clearly
impactful.

Sample 3: Award 16 – Blue Star Marker

Blue Sky Garden Club

For many years Blue Sky has maintained a flower bed around our Blue Star Marker at the City Park. The 60 sq ft bed sits at the entrance to the park on Main Street. Approximately 50 people visit the park daily.

Our club wanted to celebrate the nations' 250th anniversary and designed a garden to feature a patriotic theme of red, white and blue . We planted 30 red geraniums, 10 white alyssum and 2 blue salvias.

Eight members rotated watering and weeding duties throughout the growing season

For Holiday's a special wreath is added to the memorial and American flags are displayed around the bed.

We spent \$200 on the flowers, and they were paid for by the club's general fund.

Once the garden was in full bloom, we posted pictures on Facebook, telling of the lon history of Blue Sky Garden Club and the Blue Star Marker. We encouraged citizens to post pictures of their family with the garden. We were surprised at the response; many you families too the opportunity to take pictures when they visted the park and posted them to Facebook.

A very nice project,
used FB to educate
community about
Blue Star Markers
& enticed community
involvement!
