

A Garden for All

2026 South Atlantic Region and West Virginia Garden Club Conventions

March 20-22, 2026

Blennerhassett Hotel, Parkersburg WV

Is there someone you would like to honor for her service to your garden Club? Is there someone who recently died whom you would like to memorialize? Has your club or district done something special? Then consider donating to the 2026 Convention Flower Fund as a memorial or honorary gift. This is our last South Atlantic Region Convention as a state garden club, and we want to demonstrate that *A Garden For All* includes beautiful table floral arrangements. All contributors will be listed; memorials will have a special listing; and contributors may elect to receive a charitable contribution tax receipt.
